

Believe Grow Succeed

Jesus said “The kingdom of heaven is like a mustard seed that someone took and sowed in his field; it is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.” Matthew 13:31-32

Our school vision is taken from Jesus’ parable of the mustard seed which gives a picture of the kingdom of God growing from a small seed. The Christian faith teaches that God’s kingdom is found wherever His love and values grow, and that Jesus came so all people may enjoy ‘life in its fullness’. We have used the tree from the Roots and Fruits resources for Collective Worship as a visual image of the values of our school being rooted in the Christian faith.

We see our school like the branches of the tree, and each one of us like the birds who come in for a time and then fly away. We want our school to provide an environment that is nurturing and safe, and for children and adults who are part of our community to be nourished by the fruits of our Christian values. By teaching and example we aim to be a school where everyone can flourish in their spiritual, social, emotional, moral, physical and educational development.
