Welcome Brochure

SMALL SCHOOL, BIG DREAMS

Dear parents, carers and friends,

Welcome to our lovely village school; a small school with BIG dreams which we seek to turn into realities as we journey together to make it an exciting, motivating and successful time for everyone but most of all our children who are at the centre of all we do.

As part of the Diocesan family of schools, we are well-supported by the Diocese of St Albans, with close links to the other four schools served by the Welwyn Team of Churches. We are also part of the Hertford and Ware Consortium, which organises many of our interschool sporting competitions and events.

As an exceptionally dedicated and committed staff team, we know that children learn best when they are happy and safe and feel valued and respected. Our Christian values permeate through everything we do. We have high expectations of all the pupils in all areas of their learning, including the way they deal with others, develop in independence and take on responsibilities, so that each one feels valued as a member of our learning community.

Parents and carers play a very important part of school life and so we value our partnership with you all. We look forward to working closely together in the best interests of all our children and encourage you to become involved in all aspects of school life, so that, as partners, we can promote high standards of learning, behaviour and attitudes to enable every child to reach their full potential.

At Tewin Cowper School we offer high quality teaching by dedicated and hardworking staff. Whilst it is essential that our children achieve the best possible outcomes in Math's and English, we firmly believe that a quality education encompasses so much more than just those areas that are currently used to measure school performance. We therefore provide a broad, balanced and enriching curriculum to ensure that we are investing in every child's future, whatever their aspirations and what they would 'like to be when they are grown up'. Every child is unique, and we relish the opportunity to nurture and help develop future scientists, artists, musicians, historians, athletes, computer programmers, authors and so forth.

We believe Tewin Cowper is a school to be proud of - a place where children love to learn, dream BIG dreams and achieve amazing things. Thank you for being with us on your child's exciting journey.

Time of our School Day

Drop Off and Collection—Please arrive at school on time

The gates open at 8.35am and close at 8.45am. It is important that children arrive before the gates close at 8.45am. Any children arriving after the gates close should enter through the main reception and a late symbol will be marked in the attendance record. The afternoon register opens at 1:15pm.

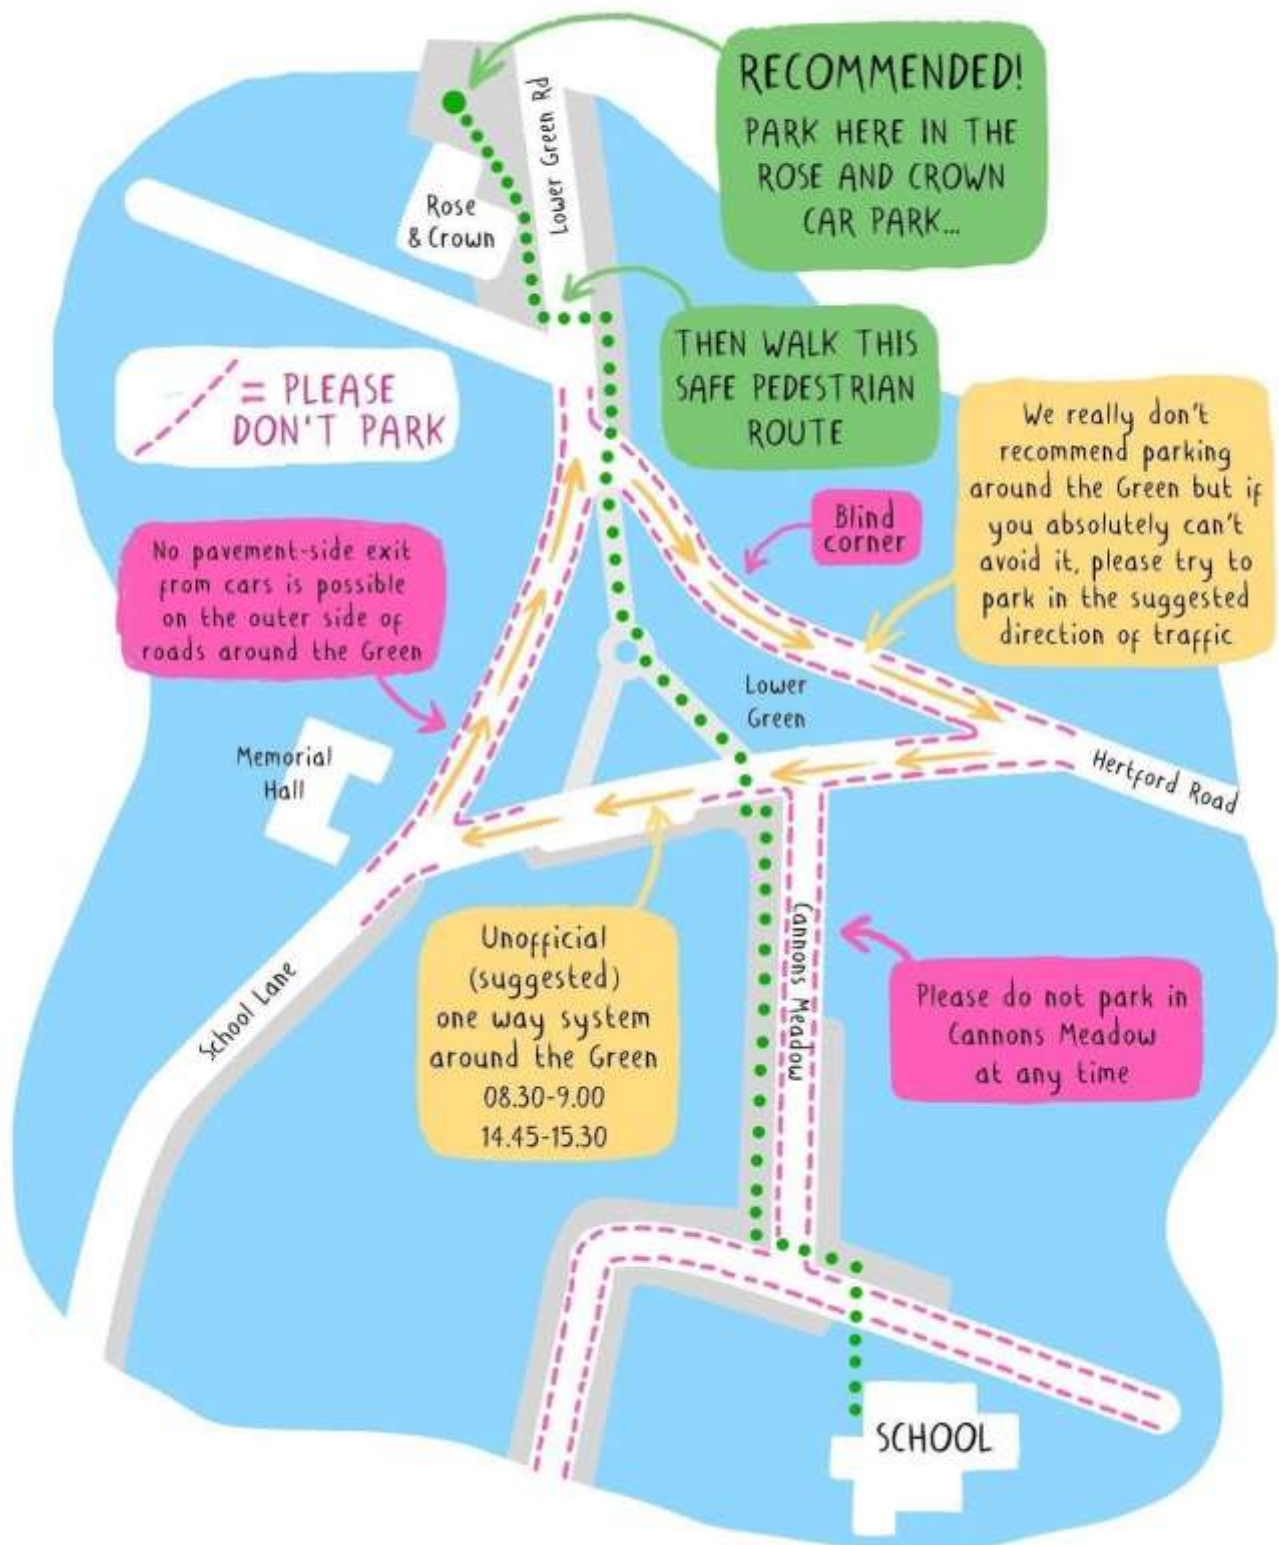

If you need to collect your child during the school day for an appointment, or if you are returning them afterwards, please come to the school office first to sign your child in or out of school.

The school entrances get very busy at the start and end of the school day so if you are bringing or collecting your child by car, we would ask you to please adhere to our travel plan. We ask that you please do not drive along Cannons Meadow or park by the school entrances or neighbouring houses. Your help with this will be greatly appreciated.

We encourage children to walk or cycle to school whenever possible.

SMALL SCHOOL, BIG DREAMS

Lunchtimes

Lunch is eaten in the hall in a fairly informal, happy atmosphere. Children may either bring a packed lunch from home or have a delicious school meal, cooked on the premises by our own catering staff. Every day there is a choice between a meat/fish option, a vegetarian option or jacket potato with filling/sandwich. The menu is changed seasonally. Freshly cut fruit is available everyday as an alternative to the daily homemade dessert. Once in a while on a Friday, a treat helps to add a bit of fun into school meals for pupils. A copy of the menu will be emailed to you termly.

It is the responsibility of the parent to inform the school of any dietary requirements and/or food allergies and fill in a form available from the school office.

Payment for dinners should be made online via our 'Arbor' app.

Did you know that you may be eligible for Free School Meals? The school receives additional funding for every child eligible for Free School Meals (FSM) which enables us to provide additional support in their learning. If you think your child may be eligible for free school meals, please apply/renew by using one of the following methods:

On-line: www.hertsdirect.org/freeschoolmeals

Phone: 0300 123 4048

Please remember to provide your child/ren with a full water bottle each day.

Key stage 1 children (Reception to Year 2) are given a free piece of fruit/veg each day at snack time.

Playtimes

We have a number of play areas within our school grounds—a large surfaced area for running games and activities, climbing apparatus, a climbing wall and gazebo and picnic tables for those children who prefer to sit quietly, read or play tabletop type games. When the ground is dry, we use our large grassy areas for football, rounders or simply running around and playing. There are members of staff on duty and our first aider will administer any necessary first aid.

We always require extra Mid-day Supervisory Assistants every day or selected days. If you would like to consider becoming an MSA please see the school secretary for more information.

Uniform

We expect all children to wear the correct school uniform and look well presented for school every day.

All children must wear black shoes. Pupils are not allowed to wear boots, trainers or sandals as part of the school uniform.

All children will need a school book bag. Please see the Uniform Booklet for full details.

This, along with all other uniform can be purchased online from 'Mapac

<https://www.mapac.com/education>

Secondhand uniform is also available; it is often displayed at school events, such as New Parents Evening and Open Evenings or you can contact the school office if you would like to contact the parent who oversees this. All proceeds are added to PTA funds.

Please clearly label ALL items of clothing, including coats, shoes, trainers, and P.E. kit with your child's name. **Unfortunately, we do not have room to store all of lost property. Named articles will be returned to owners and unnamed clothing will be stored in a box in the Reception area. Any unclaimed items will be given away at the end of term!**

A great website to purchase labels from and raise money for the school at the same time is a website called, 'easy2name.' Follow the link, choose your labels and then in your basket **search for the charity 'Tewin Cowper School'** and a percentage of your purchase will be given to Tewin Cowper School.

Thank you ☺

<https://www.easy2name.com/>

Personal Possessions

Unless requested by a member of staff for something special, we discourage children from bringing toys or other items from home, as things can sometimes get broken or lost and this can so easily cause upset. Smart watches are not permitted to be worn in school.

Jewellery & Hair

For safety reasons we ask that children **do not** wear jewellery in school, except for religious purposes. A watch may be worn but we cannot accept responsibility for it. If your child has pierced ears, please make sure they **only** wear plain studs in school. Earrings will need to be covered up with micropore tape during P.E. lessons for safety reasons.

Long hair must be tied back.

Swimming

We are extremely fortunate to have a heated outdoor swimming pool in the grounds of our school.

Our pupils have use of the pool for swimming lessons twice a week in the second half of the summer term, ending with a fun swim.

The pool is maintained by our parent run Swimming Pool Committee. The committee help to organise a weekend 'Swim Festival' for families of Tewin Cowper and open the pool throughout the summer for families to use. The swimming committee are always looking for new helpers to help with organisation and the swimming pool rotas. Without the help of such dedicated parents, we would not be able to have a swimming pool. Please contact the school office if you would like to offer your help.

To cover the cost of running our swimming pool, we ask for a small payment for lessons. This is usually around £30 per child. Payment is made in advance at the beginning of May through Arbor.

A class swimming timetable will be sent out nearer the time. Children will need the following items in school for the day of their lesson:

- Swimsuit (no bikinis or long/Bermuda shorts)
- Towel

The school will provide armbands for non-swimmers.

SMALL SCHOOL, BIG DREAMS

The PTA is an integral part of our school, utilising parent's skills and commitment to make our children's learning environment as best as it can be. For many years it has raised thousands of pounds to improve the school facilities for the children. The PTA has helped fund many things over the years from basic classroom resources to new playground equipment: more recently new dining tables and chairs and visualisers for each classroom, an extremely effective Ofsted approved teaching tool, science week, a whole school trip to the panto and much more. Future plans will include WiFi cameras and more playground equipment.

As a parent of our school, you are automatically a member of the PTA and are warmly invited to come along to one of our informal meetings. We appreciate that time is precious but being involved in the PTA is not a full-time job, it doesn't matter if you can't attend every meeting however new faces bring new ideas! The offering of help before and during events is so valuable, but should you wish to commit a little more time you could always become a general member and take on a regular responsibility.

If you feel that you cannot spare any time to help with events, as we are all hard working, busy people; please consider helping by **giving a monthly donation to our SOS scheme (Support Our School)**. This would be a regular confidential, monthly donation to the school, for as little as £5 a month, which would go towards ensuring that your child gets the most possible out of their primary school journey, especially in these times of budget cuts for many schools.

Our current PTA officers are:

Chairperson	Kay Adam-Smith email:	bobbylimbo@hotmail.com
	Katie-Ann Berk email:	katie.berk@gmail.com
Treasurer	Cody Wedge	

Up and coming events:

Our first event of the school year is Fireworks Night which is held at the school at the beginning of Nov. This is a fantastic display, with hot food and drinks for all, glow sticks and face paints for the kids. As this is a large event involving the local community too, any helpers are always appreciated.

Parental Involvement

At Tewin Cowper Primary School we try to create an atmosphere where parents and carers always feel welcome, and where staff, parents and carers can talk openly and honestly. Your opinion, support and involvement are highly valued.

If you are volunteering to help in school, you will need to have a DBS check. Please see the school office for more details. You will also be asked to read (and sign that you have read) our Visitors Leaflet and confidentiality agreement available from the school office.

We recognise the key role that parents and carers play in the education of their children and through close partnership we aim to provide the very best education possible for their children. If you have any concerns, or indeed compliments, please discuss them with the Class Teacher, Head Teacher or member of the Senior Leadership Team. In the event that it may be required, the Complaints Procedure and form can be seen on the school website (Policies page).

School Newsletters

We keep all parents and carers informed by means of regular, numbered newsletters sent via Arbor (our emailing system) at the end of each month. The newsletters are also available to view on the school website at www.tewincowper.herts.sch.uk

Emergency Contacts

It is very important that we have **two** up-to-date contact details so that parents and carers may be contacted if their child is involved in an accident or taken ill. We ask that you complete a registration form, which includes a section on emergency contact details. Please ensure that your child can be picked up within 30 minutes of contact, in the event of an emergency.

Arbor will be used for messages regarding short notice cancellations of school clubs and/or school closure notifications.

School Closures

We will only close the school if the road conditions are such that it would be dangerous for staff and children to get to and from school, or any circumstances that create high level of risk to the health and safety of the children and staff. Details of closure will be sent via Arbor, direct to parents' mobiles on the morning of the closure and will be available on our school website www.tewincowper.herts.sch.uk and Herts Direct website www.hertsdirect.org.

Reporting to Parents

Expectations

At the beginning of the year, parents and carers are provided with a curriculum map which will show the class topics for the year. Parents will also receive a more detailed breakdown from their child's teacher, at the start of every term, showing the subjects that will be taught through the topic, as well as more information on other areas of learning for the term.

Pupil Progress

Parents are invited to two 'Parent Consultations' during the academic year to discuss their child's progress, targets for development and personal well-being.

School Progress Report

At the end of the summer term, parents and carers in all classes will receive a written sum up of the year for their child, informing parents and carers of the progress made during the year. Children in Early Years Foundation Stage (EYFS) will receive a more detailed report along with their learning journey to show the areas of development that have been met.

Homework – Home Learning

Tewin Cowper Primary is passionate about equipping every child with the academic tools they need to be successful in secondary school and beyond. In order to do this in an informed way, we promote home learning rather than 'homework'. The home/school partnership begins in Reception and continues throughout the school.

Home learning aims to:

- Recognise and celebrate learning that already happens at home
- Promote parents and children reading and talking together
- Providing opportunities for pupils to develop a growth mindset and for pupils to feel proud about pushing themselves beyond what is compulsory
- Encourage perseverance, self-discipline and pupils taking responsibility for their own learning
- Enabling classwork to concentrate on those things that require the teacher's presence.

A letter with more information on Home learning and what is expected in each class can be found on our school website under Remote Learning.

Positive Behaviour

We use therapeutic behaviour approaches to encourage pro-social behavior and intrinsic motivation within children. **The behaviour of our children in our school is excellent.** We encourage and expect all our children to show care, courtesy and consideration at all times. Praise and encouragement are used to promote and maintain a positive and happy atmosphere in school. Our positive behaviour strategies are embedded in all areas of school life, and reflect our Christian values of honesty, trust, tolerance, fairness and forgiveness.

The best results in terms of promoting positive behaviour arise from emphasising potential, rewarding success and giving praise for effort and achievement. It is the responsibility of parents and carers to work with the school in helping to foster positive attitudes and behaviour.

We have 4 expectations in our school.

- Be Safe
- Be Ready
- Be Respectful
- Be Honest

We expect every child in school to follow our school expectations for a safe and happy school.

<p><i>In our happy little school pupils are expected to be...</i></p> <p>READY – SAFE – RESPECTFUL – HONEST</p>	
<p>Be Ready - Arrive at school on time; remember your things, be ready to learn, always try your best and give everything a go!</p> <p>Be Safe - Walk sensibly in school, line up quickly and quietly; exercise self-control; set a good example to others.</p>	<p>Be Respectful - Show respect to everyone in school; take pride in our school; respect our outdoor area – keep it litter free; be kind with our words and actions; wear the proper school uniform; treat school resources and other people's belongings with care.</p> <p>Be Honest - Be truthful, well-mannered and kind.</p>

Parents and carers will be invited to discuss situations where children's behaviour becomes unacceptable or is causing concern.

Please refer to our **Home School Agreement**.

We recognise and celebrate positive behaviour and attitudes at all times around the school through informal praise. Wherever appropriate, children's best efforts will be celebrated through display and performance. Each teacher will have their own system of class rewards.

Rewards may include the following:

- Positive verbal praise
- Verbal or written praise to parents about their child
- A simple word of thanks
- Stickers or smiley face
- Written comments in books
- Sending the child to another teacher for praise.
- Send the child and class work to the Head Teacher for a Head Teacher's award
- Individual or group prizes
- House points

Buddies

Every child in Reception is allocated a 'Buddy' from Year 4 who will read with them, walk with them to church and help them at lunchtimes. The buddy stays the same until Y3 where you then train to be a Buddy as your Buddy goes off to secondary school.

House Points, House Captains and Vice Captains

Our school has a house points system which fosters a sense of belonging and identity with our school.

Children are divided in to one of four Houses:

- ☺ Walter (blue)
- ☺ Applegate (green)
- ☺ Cowper (yellow)
- ☺ Watson (red)

House Points are awarded for exceptional behaviour and sporting achievements. House Points are totaled each term and the house cup is awarded to the winning house in Celebration Assembly.

Financial Help with the Cost of Education

If you think you may be eligible for help with travel costs, music fees, cycle training and/or school meals (Key Stage 2), please check via any of the following methods:

On-line: www.hertsdirect.org/freeschoolmeals

Phone: 0300 1234048

Have your National Insurance number or Home Office number to hand when you apply.

A parent or carer applying for financial help, automatically entitles the school to **extra government funding** towards their child's education. Therefore it is **very important** that if you are entitled to benefits, even if you do not wish to take advantage of a free school meal, or already get a free school meal (Key Stage 1), that you apply via one of the methods given above. Applying online takes 5 minutes and the school office will be informed if your child is eligible for Pupil Premium and can get free meals at school. If you would like the school to complete the application on your behalf, please contact the school office. To say thank you for taking the time to apply, each family who successfully applies for Pupil Premium will receive a sweatshirt or cardigan with school logo (for each child attending this school), PLUS a £30 Morrisons voucher?

Paying for School Activities, Clubs, Meals, Trips, Milk and Music

The school's preferred method of payment for parents and carers is via our online payment in advance app 'Arbor.' Please see our "Charging and Remissions Policy" for further information on charges for certain defined activities within school. The policy is on our website.

Medical Information

Please let us know of any problems concerning your child's health. If your child has a serious illness, recurring medical problem or allergy, it is vital that you let us know and keep us updated.

Following sickness or diarrhoea please do not send your child back into school until 48hrs have passed since the last episode of sickness/diarrhoea.

Accident/Illness in School

Minor injuries such as cuts and grazes are dealt with in school by relevant staff members who are trained first aiders. If your child has an accident or becomes unwell and is clearly unable to continue to stay at school, we will always contact you or the person nominated by you.

Parents will always be informed by telephone of any 'serious' injuries or knocks to the head. For 'minor' bumps a 'bump note' (stating who to contact should your child show any of the symptoms listed on the note) will be given to the parent/carer at pick-up; they will be asked to sign a copy acknowledging that they have been informed.

Medicines

All medication can only be administered by school staff with written consent from the parent or carer. Please see the school office for more information or consent forms. *Please note:* If your child needs medication three times a day the LA recommends this doesn't come to school but is taken before school, on return home from school and before bed (unless it is essential to be taken before food at lunchtime). Some children will have specific medical needs and will have an individual medical plan drawn up for them in liaison with the school's SEN Co-Ordinator. Forms are available from the school office.

Inhalers

Inhalers are kept with the child in their classroom. It is the responsibility of the parents to inform the school if their child is asthmatic and to ensure the required inhalers are in school and up to date. Children who require asthma inhalers are not allowed to be in school without one.

Allergies

If a child has an epi-pen, we require that this is left in school with the class teacher. Children who require an epi-pen will not be allowed in school without one.

Please be aware that our school is a NUT FREE school due to a number of children with severe nut allergies. We kindly request that children do not bring snacks that contain nuts to school.

Term Time Holidays

We strongly discourage families from taking holidays during term-time and no holidays will be authorised, except in cases of extenuating circumstances. A written letter explaining your reasons must be sent to the Headteacher in advance of the absence.

Children who attend school every day make better progress and achieve more.

Absences

Parents must provide an explanation for all absences from school, either by telephoning the school office on 01438 717378, by email to admin@tewincowper.herts.sch.uk or in writing to the school. Please note it is the school and not the parent who authorises absences.

Absence from school may be authorised if it is for the following reasons:

- Sickness
- Unavoidable medical / dental appointments (though these should be made, whenever possible, outside school hours)
- Days of religious observance
- Exceptional family circumstances such as bereavement, moving house, music exams.

Absence from school will not be authorised for:

- Shopping
- Looking after parents or siblings who are unwell
- Birthdays
- Holidays in term time (unless the child is under 5 in the term of the holiday)

Following up absences

If no reason has been provided for a pupil's absence by 9.15am, a parent or carer will be contacted by telephone by the school office.

Take note! More than 15 sessions of absence may trigger a FINE for both parents issued by the local council.

Attendance matters...

LATENESS ADDS UP!

Being 15 minutes late every day will add up to TWO WEEKS of school missed every year!

Did you know?

If your child's attendance is 80%, this means

- 1 day EVERY week
- 6 days EVERY half term
- 12 days EVERY term
- 36 days EVERY year
- 180 days in five years...

...That's nearly **ONE WHOLE SCHOOL YEAR!** Time missed at school can lead to gaps in knowledge that become difficult to fill. As a parent/ carer it is **YOUR** legal duty to ensure your child attends school every day and on time.

SMALL SCHOOL, BIG DREAMS

As part of the school curriculum at Tewin Cowper School, we offer pupils supervised access to the Internet. We will require parents and carers to sign the User Agreement and discuss the rules for using the computers with your child.

Our school Internet provider operates a filtering system that restricts access to inappropriate materials. This may not be the case at home, and we can provide references to information on safe internet access if you wish. Herts LEA manage and maintain our Internet/email service, and provide information on it at www.thegrid.org.uk

On-line safety information and more advice on managing on-line safety at home can be found on our school website. Whilst every endeavour is made to ensure suitable restrictions are placed on the ability of the children to access inappropriate materials, the School cannot be held responsible for the nature or content of materials accessed through the internet. The School will not be liable for any damages arising from your child's use of the Internet facilities.

A detailed policy, outlining the schools' provision and supervision practises is available on the school website. Should you wish to discuss any aspect of Internet use, please do not hesitate to contact the school.

Guidelines for parents

Pupils may only access the Internet when in the presence of a member of staff. Pupils are responsible for good behaviour on the Internet just as they are in the classroom.

School staff may access any file held on any computer storage system or media that is part of or connected to the school network. The school reserves the right to monitor all communications. Pupils should thus be aware that their files will not always be private.

The following are **not** permitted.

- Sending or displaying offensive messages or pictures.
- Using obscene language.
- Using electronic mail to harass, insult or otherwise annoy others.
- Using other people's passwords.
- Accessing any other person's work or files without permission.
- Misuse / malicious damage to computers, software and other hardware.
- Violating copyright laws.

Consequences

Violation of the above rules may result in one of these sanctions.

1. Temporary or permanent ban on use of the Internet and electronicmail.
2. Additional disciplinary action in line with the school's Behaviour Policy.

When applicable, police or local authorities may be involved.

Online Rules / Agreement Pupil Acceptable Use

Please read and discuss the below agreement/rules for internet use with your child on a regular on-going basis as their use of IT develops:

- I will only use school IT equipment for activities agreed by school staff.
- I will not use my personal IT accounts in school when doing schoolwork.
- I will not sign up for any online service on school devices.
- I will only open email attachments if it has been approved by a member of school staff in school or a parent/carer out of school.
- In school I will only open or delete my files when told by a member of staff.
- I will not tell anyone other than my parents/carers my passwords. I will not use other people's usernames or passwords to pretend to be them online.
- I will make sure that all online contact I make is responsible, polite and sensible. I will always be kind and respectful.
- If I come across anything upsetting, unpleasant or nasty, or anything that makes me feel unsafe, I will tell my teacher or my parent/carer immediately.
- If someone says, asks or posts about me anything upsetting, unpleasant or nasty, or anything that makes me feel unsafe, I will not reply. I will tell my teacher or my parent/carer immediately.
- I will not give out my own or other people's personal information, including name, phone number, home address, interests, schools or clubs. I will tell my teacher or parent/carer if anyone asks me online for personal information.
- Uploading or sending my image (photographs, videos, live streaming) online puts me at risk. I will always ask my teacher or parent/carer first if I wish to do this. I will not take, share or upload any image of anyone else with permission from my teacher or my parent's/carer.
- Even if I have permission, I will not upload any images, videos, sounds or words that could upset, now or in the future, any member of the school community, as this is cyberbullying.
- I understand that some people on the internet are not who they say they are, and some people are not safe to be in contact with. I will not arrange to meet someone I only know on the internet. If someone asks to meet me, I will not reply to them and I will tell a teacher or a parent/carer immediately. I understand that everything I say or do online can be traced now and in the future. I know it is important to build a good online reputation.
- I will not bring personal devices e.g. mobile phones, gaming devices into school without getting permission from my teacher.
- I will not lie about my age in order to access games, apps or social networks that are for older people as this will put me at risk.
- I understand that these rules are designed to keep me safe now and in the future. If I break the rules my teachers may need to take action.
